The Detroit Historical Museum will amaze your guests and give you a wedding day you will never forget. Planning is easy, so let’s get started!

Choose your space package: Wedding packages include additional rental time and meetings with your assigned event manager, as well as other perks that are not included with most rentals. You are also welcome to build your rental à la cart from our standard rental packet.

Catering: You can choose from several options on our approved catering list, including full-service catering, caterers who focus mainly on the preparation and serving of food, or you can choose to use food trucks. You will make all your refreshment arrangements directly through the caterer. If you choose to hire a caterer that is not full service, you will need to also hire one of our approved bar tending services to serve your alcohol and to handle several other event services. Please find all their menus, pricing, and contact information https://detroithistorical.org/detroit-historical-museum/rentals/approved-caterers-vendors

Adult beverages: Clients are permitted to supply their own alcoholic beverages as long as the beverages are free to your guests. Your selected caterer must be hired to serve the alcohol.

Vendors: You are permitted to select outside vendors to supply your linens, flowers, décor, music, D.J. photo booths, and other items. We have provided a list of preferred vendors if you would like suggestions. All vendors must comply with museum policies.
