WHAT’S NEW?

**BOOM TOWN: DETROIT IN THE 1920S**
This exhibition explores the incredible changes Detroit went through in the 1920s, and the city’s drastic contradictions – glitz and glamour, risk-taking and repercussions, social conscience and depravity, elegance and poverty – through 20 personal histories of real residents of the era. Presented with support from Comcast NBC Universal and National Endowment for the Humanities.

**THE HUSTLE**
The Hustle digs deep into Detroit’s neighborhoods to document the stories of Detroit’s unsung entrepreneurs. Come back quarterly to see a rotating series of exhibits in Center Stage in the Allessee Gallery of Culture.

**DETROIT’S BREWING HERITAGE**
Learn more about the city’s beer barons, neighborhood breweries and beer-drinking customs in Detroit’s Brewing Heritage. Presented with support from Founders Brewing Co.

**BODY BY FISHER**
Out of the thousands of parts that make up a car, the body is the first thing we see. It is critical to safety, comfort, styling and corporate identity. Learn how auto body producer Fisher Body Company grew from a family business operated by a close-knit group of brothers to a central pillar of General Motors. This exhibition is presented in partnership with GM.

We’re celebrating our 100th anniversary! In 1921, several Detoriters founded the Detroit Historical Society to preserve the history of their booming industrial town. For 100 years, the Society has encouraged historical scholarship, preservation and education. Today, the Society manages the Dossin Great Lakes Museum and Detroit Historical Museum while caring for a collection of more than 250,000 historical artifacts.

To learn more about the centennial celebrations we have in store, visit detroithistorical.org.
This award-winning exhibition draws on hundreds of oral histories and community partnerships to understand the events of July 1967, what led up to them and where we are today.
